STEEL TARIFF RATE QUOTAS

ARTICLE 2-B.1

Objective

1. Taking into account the framework established by the Regulation (EU) 2026/1384 of the European Parliament and of the Council of 17 June 2026 addressing the negative trade-related effects of global overcapacity on the Union steel market and amending Regulation (EU) 2020/2170 (hereinafter referred to as the "EU Steel Regulation"), and recognising the importance of stability and predictability for trade between the Parties pursuant to this Agreement, this Annex sets out the tariff rate quotas (hereinafter referred to as "TRQs") that shall apply to imports into the European Union of steel products originating in India specified in Article 2-B.3 (Scope).
2. The TRQs set out in Article 2-B.4 (Tariff-rate quotas for imports into the European Union from India) relating to imports into the European Union of steel products originating in India shall take effect on the date the EU Steel Regulation starts applying.
3. For imports into the European Union of those products outside the TRQs set out in Article 2-B.4 (Tariff-rate quotas for imports into the European Union from India), the applicable duties shall be the base rates set out in Appendix 2-A-1 (Schedule of tariff commitments of the European Union).

4. For the purposes of this Annex, "originating" means qualifying as originating under the EU Steel Regulation or its implementation measures. If the European Union amends the Product Specific Rules (PSRs) for products covered under the EU Steel Regulation, the European Union shall consult with India immediately upon the proposal for such an amendment. If the Parties do not reach a mutual agreement within 30 days after the date of such proposal, the PSRs negotiated in Annex 3-B (Product-specific rules of origin) shall apply to determine "originating" products under this Annex.

## ARTICLE 2-B.2

### Administration of TRQs

The European Union shall administer the TRQs set out under this Annex in a transparent, objective and non-discriminatory manner so as to be conducive to trade and facilitate to the extent feasible their effective utilisation. This includes making publicly available in a timely and continuous manner all relevant information concerning the administration of those TRQs.

## ARTICLE 2-B.3

### Scope

This Annex applies to the following tariff lines, which are divided in product categories in accordance with the table in this Article. Where, for an 8-digit tariff line, 10-digit codes are specified (hereinafter referred to as "TARIC codes"), only the TARIC codes in question shall be considered.

| Product category number | Product category name                                  | Tariff lines                                                                                                                                                                                                                                                                                                                       |

## ARTICLE 2-B.4

### Tariff-rate quotas for imports into the European Union from India

1. The table in this paragraph provides for India's country-specific TRQs allocated exclusively to products falling under the respective product category (and comprising the corresponding tariff lines, when applicable, as specified in Article 2-B.3 (Scope)) set out in columns 1 and 2.

| Product category | Column 1 – country-specific quota (MFN part) – metric tonnes | Column 2 – country-specific quota (FTA part) – metric tonnes | Total country-specific quota – Sum of columns 1 and 2 |
|------------------|--------------------------------------------------------------|--------------------------------------------------------------|-------------------------------------------------------|
| Category 1.A     | 299,197                                                      | 210,408                                                      | 509,605                                               |
| Category 2       | 125,581                                                      | 93,077                                                       | 218,658                                               |

| Category 26      | 12,092                                                       | 8,853                                                        | 20,946                                                |
| Total            | 946,616                                                      | 694,853                                                      | 1,641,470                                             |

2. In accordance with the allocation of TRQs set out under the EU Steel Regulation, in addition to the TRQs set out in paragraph 1, India shall be granted access to additional volumes of TRQs in the product categories set out in that paragraph where India has a country-specific TRQs. Those additional volumes shall be made accessible under competition exclusively among the free trade agreement partners (hereinafter referred to as "FTA partners") of the European Union which have country-specific TRQs in the categories set out in paragraph 1.
3. In accordance with the allocation of TRQs set out under the EU Steel Regulation, in all remaining product categories and corresponding tariff lines listed in Article 2-B.3 (Scope) for which there is no country-specific TRQs under paragraph 1 of this Article, India shall be granted access to available residual TRQs comprising two sets of volumes of quotas:
- (a) a volume of general residual TRQs under competition accessible to all trading partners of the European Union which do not have country-specific TRQs in those product categories and corresponding tariff lines; and
  - (b) a volume of preferential TRQs under competition exclusively accessible to the FTA partners of the European Union which do not have country-specific TRQs in those product categories and corresponding tariff lines.

## ARTICLE 2-B.5

### Monitoring and review

1. The Committee on Trade in Goods, established pursuant to Article 18.3(1) (Specialised committees), shall monitor and review the functioning and application of the TRQs set out in Article 2-B.4 (Tariff-rate quotas for imports into the European Union from India). If a matter arises concerning the TRQs, a Party may request the other Party in writing to:

- (a) hold a meeting of the Committee on Trade in Goods; or
- (b) promptly respond to specific questions by providing relevant information.

2. If, after the entry into force of the EU Steel Regulation, the European Union adopts a measure that modifies the TRQ volumes or the allocation of the TRQs under that Regulation, it shall notify India in a timely manner and preferably before the adoption of the measure, to the extent feasible. Following such notification, India may request a meeting of the Committee on Trade in Goods to consider the matter. The Committee on Trade in Goods shall meet at a mutually agreed date and without undue delay for an exchange of views on the modification and discuss the impact it may have on the application of the TRQs set out in Article 2-B.4 (Tariff-rate quotas for imports into the European Union from India). This is without prejudice to the application of Article 2.7 (Modification of concessions).

3. The TRQs set out in Article 2-B.4 (Tariff-rate quotas for imports into the European Union from India) shall be subject to periodic reviews to consider, among others, market and regulatory developments, the TRQ allocation by the European Union to its trading partners (including under the WTO), the actual utilisation of the TRQs, the inter se distribution of the TRQs volumes between different product categories and different TRQs mechanisms referred to in paragraphs 1, 2 and 3 of Article 2-B.4 (Tariff-rate quotas for imports into the European Union from India), and the evolution of the respective markets with a view to preserving effective market access. The first review should be initiated one year after the entry into force of this Agreement and, thereafter, every five years, in parallel to the reviews envisaged in paragraph 2(i) of Sub-Section 3 (Management of tariff rate quotas for industrial products) of Section B (Administration and implementation of tariff rate quotas) of Annex 2-A (Schedules of tariff commitments).

4. The periodic reviews referred to in paragraph 3 should take into account TRQ volumes accorded to India under Article 2-B.4 (Tariff-rate quotas for imports into the European Union from India) as compared with the bound TRQ volumes that may be granted in the future by the European Union to its other FTA partners, in order to preserve at least the same level of preferential access for steel accorded to India under this Annex. For that purpose, the Parties should examine whether an FTA partner of the European Union subject to the quota system under the EU Steel Regulation has obtained a quota volume higher than the TRQs set out for India in paragraph 1 of Article 2-B.4 (Tariff-rate quotas for imports into the European Union from India), except if the European Union imported significantly higher volumes of steel products falling within the scope of this Annex from that FTA partner than from India during the three-year period between 2022 and 2024. In that event, the assessment should be conducted in relation to the relative ratio of imports of steel products falling within the scope of this Annex from India and from that FTA partner.

## ARTICLE 2-B.6

### India's agreement with the European Union under Article XXVIII of GATT 1994

1. The quantities set out in column 1 for the tariff-rate quotas in paragraph 1 of Article 2-B.4 (Tariff-rate quotas for imports into the European Union from India) and those that are accessible pursuant to paragraph 3(a) of Article 2-B.4 (Tariff-rate quotas for imports into the European Union from India) shall form the basis for the calculation, based on an equally favourable treatment of all WTO Members, of the overall quantity of compensatory adjustment in the form of tariff-rate quotas applicable *erga omnes* under Article XXVIII of GATT 1994 on the proposed modification of concessions under the procedure launched by the European Union on 19 December 2025 at the WTO.
2. Before the completion of the process of negotiations under Article XXVIII of GATT 1994 launched by the European Union on 19 December 2025, India and the European Union shall conclude an agreement pursuant to Article XXVIII of GATT 1994 where the overall *erga omnes* tariff rate quotas referred to in column 1 of the table in paragraph 1 of Article 2-B.4 (Tariff-rate quotas for imports into the European Union from India) shall constitute the compensatory adjustment. The joint work on that agreement pursuant to Article XXVIII of GATT 1994 shall be completed before the entry into force of the EU Steel Regulation. That agreement shall apply in relation to those WTO tariff concessions of the European Union for which India holds negotiation or consultation rights under Article XXVIII of GATT 1994. An agreement which incorporates these understandings shall be considered to be in satisfaction of India's rights under Article XXVIII of GATT 1994.

3. Alongside the compensatory adjustment under Article XXVIII of GATT 1994 referred to in paragraph 2 of this Article, the European Union shall, under Article XIII of GATT 1994, and wherever India has a substantial supplying interest within the meaning of Article XIII:2(d) of GATT 1994, allocate the above-mentioned *erga omnes* tariff-rate quotas on a country-specific basis.
