Professor Mircea Ifrim
Vice President,
Academy of Medical Science
University of Oradea

Dear Professor Ifrim,

It is indeed a privilege to have you and the Mrs. to Taiwan. I hereby attach the preliminary itinerary of your stay in Taiwan. Please feel free to give me your opinions on that. I will make any adjustment in accordance with your ideas.

On November 15, I meant to personally meet you at the Tao-Yuan International Airport; however, some previous engagements have been settled and keep me from doing so. I have assigned a chauffeur Mr. Liao, who will accompany you and Dr. Ardelean during the whole visit, and Dr. Hsieh to meet you at the International airport and escort you to Taichung. Follow by attending the 26th CMUH Anniversary on the next day and Signing Agreements with CMU and Asia University. After that, the hospital personnel will show you around the beautiful scenery of Taiwan, including the famous Sun-Moon Lake and National Palace Museum. I also recommend seeing the traditional Chinese Opera. The Taipei Eye presents great programs with English subtitles. And I am sure that you will enjoy the play as much as many of our honorary guests did.

Once again, I would like to express my sincere appreciation for you to take time out from your busy schedule to Taiwan. If there is anything I can do to make you visit more pleasant, please feel free to contact me.

Looking forward to seeing you.

Yours sincerely,
