Stimate domnule președinte,

După cum cunoașteți, Agenția Națională de Control al Exporturilor (ANCEX) este autoritatea națională pentru implementarea prevederilor Convenției privind Interzicerea Armelor Chimice (CWC) și controlul aplicării acestora în România.

Reuniunea anuală a autorităților naționale din statele părți la CWC - în prezent numărul acestora fiind de 182, care se va desfășura la Haga, în perioada 2-3 noiembrie a.c., are ca temă principală procesul legislativ prin care parlamentul statelor părți aprobă și implementează prevederile convenției.

Secretariatul Tehnic al Organizației pentru Interzicerea Armelor Chimice (OIAC), prin intermediul autorităților naționale, adresează invitația de participare reprezentanților parlamentelor naționale, care au fost implicați în procesul legislativ de aprobare și implementare a prevederilor CWC; parlamentarii vor participa la un seminar tematic la care se va discuta rolul și experiența forului legislativ din diferite state părți în implementarea convenției.

Vă adresăm rugămintea să ne transmiteți, până la data de 20 septembrie 2007, formularele anexate completate, în cazul în care considerați oportună participarea parlamentarilor români la această acțiune.

Vă rog să primiți, domnule președinte, asigurarea deosebitei mele considerații,

Parlamentul României
Camera Deputaților

NOTE BY THE TECHNICAL SECRETARIAT

**CALL FOR NOMINATIONS
FOR THE NINTH ANNUAL MEETING OF NATIONAL AUTHORITIES
THE HAGUE, THE NETHERLANDS
2 AND 3 NOVEMBER 2007**

1. The Technical Secretariat (hereinafter "the Secretariat") wishes to invite National Authorities to submit nominations for the Ninth Annual Meeting of National Authorities, which will be held at OPCW headquarters in The Hague on 2 and 3 November 2007.
2. The Meeting is designed as a forum for personnel from National Authorities who are involved daily with issues surrounding the national implementation of the Chemical Weapons Convention (hereinafter "the Convention").
3. The objectives of the Meeting are to:
 - (a) help States Parties to increase their national capacity to comply with their obligations under the Convention;
 - (b) facilitate the exchange of information and experiences regarding the implementation of the Convention;
 - (c) promote cooperation among National Authorities;
 - (d) identify common implementation problems and facilitate their resolution through the cooperative efforts of States Parties and the Secretariat;
 - (e) help make States Parties more self-sufficient in terms of their capacity to implement the Convention; and
 - (f) enhance awareness of activities relating to international cooperation under the Convention.
4. Each year the Meeting has a thematic focus. This year it will be on the parliamentary processes by which States Parties consider and approve national implementing legislation in accordance with Article VII of the Convention. As at the date of this

Note, 36% of States Parties had yet to inform the OPCW of the legislative and administrative measures they had taken to implement the Convention, in accordance with Article VII, paragraph 5. A further 15 % had yet to notify the OPCW whether they had comprehensive implementing legislation and administrative measures in place. Drafts of implementing legislation had been submitted to parliament or were being finalised in 34% of States Parties. In some cases, delays have been caused by the length of time it takes for draft implementing legislation to be reviewed and approved. Parliaments can play an important role in expediting this process.

5. The Secretariat also seeks nominations from representatives of national parliaments who are members of relevant parliamentary committees or who have been or will be directly involved in the adoption of national implementing legislation. These representatives would participate in the thematic segment of the workshop, where they would discuss the role that parliaments can play in the implementation of the Convention, and would consider ways of increasing awareness of the Convention amongst their fellow parliamentarians and thus of enhancing their involvement in national implementation.
6. The thematic segment of the Meeting will therefore be devoted to improving cooperation and fostering partnerships between National Authorities and national parliaments.
7. National Authorities are invited to nominate their own staff, as well as representatives of national parliaments who are members of relevant parliamentary committees or who have been or will be directly involved in the adoption of national implementing legislation.
8. The first day, 2 November 2007, will be set aside for the thematic segment; the second will be devoted to the meeting of representatives of National Authorities. The presence in The Hague of the representatives of many National Authorities, in conjunction with the Twelfth Session of the Conference of the States Parties (hereinafter "the Conference"), will provide a unique opportunity for these representatives to meet with Secretariat officials to discuss issues of specific interest to individual States Parties, and the afternoon of Saturday, 3 November 2007, will be reserved for this purpose. National Authorities are therefore requested to inform the Secretariat beforehand of the particular national-implementation issues they would like to discuss with it, so that the Secretariat officials responsible for them can come prepared to the consultations. During the Meeting, the Secretariat may also invite participants to discuss implementation issues bilaterally. National Authorities that wish to discuss draft legislation are encouraged to submit the draft and to contact the Office of the Legal Adviser (LAO) in advance of the Meeting to discuss their specific needs. LAO's e-mail address is legal@opcw.org, and the contact telephone numbers are +31 (0)70 416 3779 and 3814.
9. Interpretation services will be provided in the official languages of the OPCW at the following times only:
 - (a) on Friday, 2 November, for the aforementioned thematic segment; and

- (b) on the morning of Saturday, 3 November, for the meeting of representatives of National Authorities.
10. Please note that no interpretation services will be available on the afternoon of 3 November.
 11. The Secretariat expects to be able to sponsor the participation of a limited number of officials from National Authorities and representatives of national parliaments (see paragraph 7 above). Each nomination should specify whether sponsorship is a condition of the nominee's participation. For sponsored participants, the Secretariat will cover the costs of travel, meals, accommodation, and medical insurance, and will provide a limited subsistence allowance to cover sundry expenses. The Secretariat will also arrange and pay for accommodation for sponsored participants. Sponsored participants who do not intend to use the accommodation provided by the Secretariat are requested to indicate that as soon as possible, so that it does not incur hotel cancellation fees. In any case, the Secretariat will not cover the costs of any accommodation it has not arranged.
 12. When making travel arrangements for sponsored participants, the Secretariat will seek the most-economical options. It will purchase tickets and send them to participants. Participants will be allowed to purchase tickets locally only if this leads to further savings for the Secretariat and if the Secretariat authorises it. In order for the Secretariat to keep costs to a minimum, sponsored participants are expected to **arrive no earlier than Thursday, 1 November 2007, and to depart no later than Sunday 4 November 2007**. Participants wishing to stay in The Hague so that they can participate in the Twelfth Session of the Conference must inform the Secretariat of their intended return date so that appropriate arrangements can be made. Please note that any additional overnight stays by sponsored participants in connection with the Twelfth Session of the Conference **will be at their own expense**.
 13. The Secretariat's agreement is required for any changes to the arrival and departure dates of sponsored participants. The Secretariat will not cover expenses unrelated to the Meeting or that result from changes in travel arrangements it has not authorised. Sponsored participants shall bear all costs resulting from changes they make, including cancellations, once the Secretariat has purchased tickets. Participants who have not been sponsored are requested to make their own travel and accommodation arrangements, although the Secretariat can, if necessary, arrange accommodation at reduced rates.
 14. Participants are requested to obtain any necessary visas (including transit visas) before travelling to the Netherlands. Participants requiring an entry visa for the Netherlands are advised to contact the nearest diplomatic mission of the Netherlands as soon as possible. Participants that need further assistance may contact the Protocol and Visa Branch of the Secretariat by phone at +31 (0)70 416 3777 or by fax at +31 (0)70 306 3890.

15. Interested National Authorities are invited to complete a separate nomination form for each nominee (see Annex 2 to this Note), making sure in particular to provide all the contact details it requests. Completed forms should be addressed to the Director, International Cooperation and Assistance Division, OPCW, Johan de Wittlaan 32, 2517 JR The Hague, the Netherlands. Nominations may also be submitted by fax to +31 (0)70 306 3535, or by e-mail to ipb@opcw.org, but in any case they must be received by the Secretariat **no later than 24 September 2007**. Please be advised that participants must present an OPCW acceptance letter in order to register at the Meeting.
16. Additional information about the Meeting may be obtained from the Implementation Support Branch, International Cooperation and Assistance Division. The contact persons are Mr Vidyadhar Dhavle (+31 (0)70 416 3823) and Ms Vanessa Fraga Prol (+31 (0)70 416 3825).
