MEMORANDUM INTERN

De la: Luminița Iordăchescu, director

Către: Mihai Ungurianu, secretar general adjunct al Camerei Deputaților

Tema: Participarea la cea de-a 4-a Zi Internațională a Parlamentarilor din cadrul "Show-ului Aviatic de la Berlin", 28 mai 2008

În perioada 27 mai – 1 iunie a.c., va avea loc „Show-ul Aviatic de la Berlin”. Una dintre manifestările cele mai importante ale acestui eveniment îl va constitui “A 4-a Zi Internațională a Parlamentarilor”, care va avea loc în data de 28 mai a.c.

Domnul Kurt Rossmanith, membru al Bundestag-ului german, președintele Grupului pentru Aviație și Spațiu din cadrul Bundestag-ului, și domnul Dietmar Schrick, director al Asociației Industriilor Aeronautice Germane, au adresat conducerii Camerei Deputaților invitația de a participa la această acțiune, alături de alți parlamentari din țările europene.

Discuțiile care vor avea loc cu ocazia Zilei Internaționale a Parlamentarilor se vor axa asupra problemelor legate de aviația civilă și aviația de apărare, precum și a celor legate de politica națională și internațională privind spațiul aerian.

Menționez că organizatorii solicită confirmarea numelor participanților la această acțiune, până la data de 16 mai 2008.

Propunem:

- Biroul Permanent al Camerei Deputaților să nominalizeze participanții la acțiunea mai sus menționată;
- cheltuielile ocazionate de participarea la această manifestare să se suporte din bugetul Camerei Deputaților.

ILA2008 – 4th International Parliamentarians' Day

Dear Mr. President,

In the week of May 27 until June 1 2008, the ILA Berlin Air Show will take place.

The 4th International Parliamentarians' Day to be held on Wednesday, May 28th, 2008, is going to be one of the highlights of the Air Show. The Aviation and Space Group in the German Parliament as well as the BDLI - German Aerospace Industries Association - are inviting Parliamentarians from all over Europe to participate in this event.

Based on the great success of previous Parliamentarians' Days we have compiled an ambitious programme. In the morning two top-level, international discussion panels will take place to deal with topical issues in the fields of civil aviation and defence. In the afternoon, we will, in the course of the "ILA Space Day", deal with issues of international and national space policy. In addition, the BDLI will offer specialized guided tours through the exhibition. At a reception at around 4:30 p.m. the organisers will say farewell to the participants of the International Parliamentarians' Day.

Conference languages will be German, English and French.

We would like to cordially invite you to attend. We would be most grateful if you confirmed your participation on the enclosed fax reply form by **Friday, May 16 2008, at the latest**.

In case of any queries, please, do not hesitate to contact us at the telephone number or by Email mentioned below. We are very much looking forward to welcoming you to the 4th International Parliamentarians' Day at ILA2008.

Yours faithfully,

Kurt Rossmanith, MdB
Head of Aviation and Space Group
