NOTĂ

**privind participarea la Reuniunea parlamentară și evenimentele asociate
din cadrul Conferinței ONU la nivel înalt privind HIV/SIDA
- New York, 9-11 iunie 2008 -**

Uniunea Interparlamentară, în colaborare cu Programul Națiunilor Unite pentru Dezvoltare (PNUD) și Programul Comun al Națiunilor Unite pentru HIV/SIDA (UNAIDS), va organiza, la sediul ONU din New York, în ziua de 9 iunie 2008, o **Reuniune parlamentară de informare**, eveniment asociat **Conferinței ONU la nivel înalt privind HIV/SIDA**, ale cărei lucrări sunt programate în intervalul 10-11 iunie 2008.

În cadrul reuniunii, oficialii ONU vor prezenta informații actualizate despre temele aflate pe agenda Conferinței. Dialogul cu parlamentarii se va axa pe subiecte de maxim interes, precum stigmatizarea și discriminarea cu care se confruntă persoanele afectate de HIV/SIDA. Cu aceeași ocazie, vor fi prezentate diverse inițiative parlamentare pentru transpunerea în practică a rezultatelor primei Conferințe Parlamentare Mondiale privind HIV/SIDA (Manila, 28-30 noiembrie 2007).

Reuniunea UIP se adresează parlamentarilor care fac parte din delegațiile naționale la Conferința la nivel înalt privind HIV/SIDA. În acest sens, atât UIP, cât și Adunarea Generală a ONU, în rezoluția referitoare la organizarea acestui eveniment, recomandă insistent includerea parlamentarilor în delegațiile statelor participante, astfel încât aceștia să aibă posibilitatea de a participa la diferitele activități din programul de lucru al Conferinței.

Dând curs invitației și conform practicii curente în cazul reuniunilor UIP asociate evenimentelor din sfera ONU, parlamentarii români vor face parte din delegația națională la *Conferința ONU la nivel înalt privind HIV/SIDA* și, în această calitate, vor participa, în zilele de 10 și 11 iunie a.c., la sesiunea plenară și la discuțiile-panel privind: **progrese în realizarea Obiectivelor de Dezvoltare ale Mileniului, cu accent pe asigurarea accesului universal la medicamente; leadership și sprijin politic în țările puternic afectate de epidemie; egalitatea de gen și combaterea SIDA; finanțarea durabilă în domeniul HIV/SIDA ; interacțiunile dintre măsurile de combatere a HIV/SIDA, pe de o parte, și eforturile în sprijinul consolidării sistemului de sănătate, protecției sociale, inovației științifice, pe de altă parte; contracararea combinației letale HIV-TBC.**

Referitor la cele de mai sus, **propunem** Biroului Permanent al Camerei Deputaților să aprobe participarea la *Reuniunea parlamentară și evenimentele asociate din cadrul Conferinței ONU la nivel înalt privind HIV/SIDA (New York, 9-11 iunie 2008)* a domnului deputat **Mircea Ifrim, președintele Comisiei pentru sănătate și familie**, cu suportarea, din bugetul Camerei, a cheltuielilor aferente.

Precizăm că din partea Senatului va participa în delegația GRUI domnul senator Dan Sabău, membru al Comisiei pentru învățământ, știință, tineret și sport.

June 2008 High-Level Meeting on HIV/AIDS

Dear Madam President,
Dear Mr. President,

The 2008 High-Level Meeting on HIV/AIDS will take place at United Nations Headquarters in New York on 10-11 June, 2008. The Meeting will review progress made in implementing the 2001 Declaration of Commitment on HIV/AIDS and the 2006 Political Declaration on HIV/AIDS, and it will seek to promote continued engagement of leaders in a comprehensive global response to HIV/AIDS.

UN General Assembly Resolution A/RES/62/178 specifically encourages Member States to include parliamentarians in their national delegation to the high-level review meeting. May I therefore urge you to make sure that members of your parliament who are active on HIV/AIDS issues are included in your country's national delegation to this important event.

The IPU, in cooperation with the United Nations Development Programme (UNDP) and the Joint United Nations Programme on HIV/AIDS (UNAIDS), will hold a briefing for the parliamentarians attending the session in the afternoon of **Monday, 9 June 2008**, from 3 p.m. to 6 p.m. in UN Conference Room 7.

The briefing will provide legislators with up to date information on the issues to be discussed during the UN High-Level Review. It will serve as a forum for an exchange of views on major issues such as stigma and discrimination, including travel restrictions against people living with HIV/AIDS. It will also provide an opportunity for MPs to discuss follow up to the conclusions of the first Global Parliamentary Meeting on HIV/AIDS (Manila, November 2007).

The languages of the parliamentary session will be English, French and Spanish. I would be grateful if you could ensure that the enclosed registration form is returned to the IPU Office in New York, preferably before **30 May 2008**. In accordance with established practice, requests for assistance regarding accommodation in New York and UN entry passes should be addressed directly to your country's Permanent Mission to the United Nations.

Yours sincerely,

Anders B. Johansson
Secretary General

THE PRESIDENT
OF THE
GENERAL ASSEMBLY

11 April 2008

11. Representatives of civil society may attend the plenary meetings in the public gallery, within the limits of the space available.

Five Thematic Panel Discussions

12. The five panel discussions will be held as follows: two on Tuesday 10 June from 3 – 6 p.m., two on Wednesday, 11 June, from 10 a.m. – 1 p.m., and one on 11 June, from 3 – 4.30 p.m. Given limited time, panel discussions will be 90 minutes-long and will be held consecutively.

13. The panel discussions will be open to Member States and observers, as well as civil society representatives. Due to limited availability of space, access to the panel discussions will be on the basis of colour-coded passes.

14. The panel discussions provide an opportunity to have in-depth discussions on the main findings and recommendations of the report of the Secretary-General, which will be based on the national progress reports submitted by Member States. They will focus on selected areas that require special attention to advance the AIDS response, and will help examine the progress made, promote sharing of best practices, identify challenges and gaps and sustainable ways to overcome them. The panels will also consider cross-cutting issues, including human rights, urgency in meeting commitments set out in the 2001 Declaration of Commitment and the 2006 Political Declaration.

15. The following themes proposed for panel discussions:

Panel 1: How do we build on results achieved and speed up progress towards universal access by 2010 – moving on to reach the MDGs by 2015?

The panel will take stock of results and focus on remaining gaps and key decisions that need to be taken - along with actions at country, regional and global levels. The panel will examine specific findings from country progress reports.

Panel 2: The challenges of providing leadership and political support in countries with concentrated epidemics

The panel will focus on the various drivers of the epidemic, HIV and human rights and how to reach stigmatized, hard to reach and vulnerable populations. What specific actions are needed to overcome socio-economic barriers and other obstacles to access to prevention, treatment, care and support.

Panel 3: Making the Response to AIDS Work for Women and Girls – Gender Equality and AIDS

The panel will review findings from country reports on the progress, or lack thereof, with regard to the feminization of the epidemic and gender equality; remaining barriers and proposed actions to overcome these.

Panel 4: AIDS: A Multigenerational Challenge – Providing a Robust and Long Term Response

The panel will examine critical linkages between the response to AIDS and long-term development, health system strengthening, social protection, scientific innovation and the lethal combination of HIV and Tuberculosis. The UN Special Envoy to Stop TB will present the outcome and recommendations of the “HIV-TB Global Leaders’ Forum”. What more can be done to ensure a robust, sustainable and multi-generational response?

Panel 5: Resources and Universal Access: Opportunities and limitations

The panel will examine aspects of financing of the response to AIDS, including sources of funding, resource allocation, and spending, “making the money work”, accountability and predictable and multi-year funding. How can sustainable funding be assured at country level for the long-term?

16. To promote interactive, free-flowing discussions, participants will be invited to make brief remarks not to exceed three minutes, raise questions and to respond to other speakers. Written statements are strongly discouraged.

17. To help focus on the specific issues relevant to each of the five panel discussions, background notes will be prepared for each panel discussion and circulated no later than four weeks before the meeting.

18. . Each panel discussion will be chaired by a representative of government, at the ministerial level or above. The President of the General Assembly shall select, by a drawing of lots, the regional group that will chair each of the five panel discussions. Thereafter, each regional group, through its Chair, shall communicate to the President of the General Assembly, no later than 9 May 2008, the candidate nominated from among the group for the respective panel discussion.

19. Each panel will comprise of three panelists with a thorough knowledge and expertise of the subject. They will include national, United Nations and civil society representatives.

20. The composition of the panels, including the chairs and the panelists, will be finalized by the President of the General Assembly, with due consideration of geographic and gender balance, and communicated in a subsequent note.

21. In accordance with resolution 62/178, the chairs of the panel discussions will present summaries of the discussions to the President of the General Assembly.
