Paris, April 28th

Dear Mr. Chairman,

The Summer Defence Conference taking place every year in September has now become a major event in the European Defence calendar. The quality of our debates is particularly due to the presence of more than twenty Chairpersons of defence Committees in the parliaments of Europe. This Summer Defence Conference represents the opportunity for Europeans MPs to meet and get together with political, operational and industrial representatives from all Europe, and share their views on topics of current and future concern.

For this 7th Summer Defence Conference, which will take place on **Thursday 10th and Friday 11th September 2009 in Saumur**, the main theme will be about NATO and European Defence future and will also concern the crisis consequences for the defence.

I therefore prompt you to book those dates on your agenda and am looking forward to seeing you in Saumur. You will of course be our guest for all your stay and will be glad to welcome you in **Paris on Wednesday 9th September**

We have assigned Pierre Conesa (Tel.: + 33 6 80 32 39 95) and Eric Schmidt (Tel.: + 33 1 45 55 50 97) to assist us in the organisation of this event. They are at your disposal and will be getting in touch with your secretary soon to take all required measures to facilitate your coming, which is very important to us.

Yours sincerely,
