Dear Ms. Petri,

Thanks for your email. We are really happy about that strong Romanian interest in those important topics and to have MPs from Romania supporting EUFORES with their participation in our events.

I just sent you an official invitation to Mrs. Varga for the RES BOAT Conference.
 I would like to remind you that an official registration will be necessary at the www.resboat.org website. Our colleagues from Geonardo in Budapest will then get into contact with you about all the other organizational matters. The question is whether Mrs. Varga would like to participate only one of the conference days, or whether she would like to stay on the boat all week (Monday until Friday). For this a small fee would be necessary, 200Euro including all expenses (room and food). You can find all related information on the website.

If there are any questions please do not hesitate to contact me again.

With best regards from Brussels,

Anne Mueller
