's-Gravenhage, 28 mei 2009

Dear Deputy Marius Cristinel Dugulescu,

As member of the Dutch Parliament, it is my sincere privilege to extend to you an invitation to attend the ChristenUnie Congress and the ECPM Congress. These events will be held in Switzerland and Netherlands from 9-18th of June, 2008.

The meetings are an opportunity for members of national parliaments of Europe to gather with leaders of other European nations and political parties. We have come to understand that achievement does not come without building structurally sound bridges of communication through strong contacts between each other.

During the period of your visit we would also like to use this opportunity to discuss issues around human rights and social affairs in both our countries and how our bilateral cooperation could benefit both our countries and Europe.

Your Excellency, by responding positively to this invitation, we understand that only a genuine interest for better communication among our parliaments shall be able to contribute to this unified perception of unity in the benefit of the EU body.

We look forward to meeting with you in the near future,

Cordially,

On the behalf of the Dutch Parliament:

On behalf of the ECPM

REPUBLIC OF ROMANIA

Berlin, Mai 2009

Distinguish Mr. Vice President!

We, members of German Parliaments and visitors of our Prayer Breakfast Groups in Germany have the honour to invite you to visit our

14th International Berlin Gathering

from June 18th to 20th 2009 at the Johannesstift in Berlin-Spandau.

During this time we remind ourselves, leaders and friends from Germany and many countries, that we need the blessing of the Almighty God in everything what we do. The example of Jesus of Nazareth is hereby the best advice for any leadership. As always we meet under the same general subject and this special aspect for 2009:

Responsibility before God and Man

Personal Responsibility in the Light of Global Injustice and the Financial Crises

Our meetings did create a network of responsible leaders and friends around the world with many effects. Results were practical actions for peace and humanitarian projects. Your participation will be a great gift for us. Our partner, the *Foundation for Basic Values and the Understanding among Peoples* will be in touch with you for any questions. After your answer you will receive a confirmation of participation. – For any questions, please check with Dr. Andreas Jahn (+49 30 20911610) or with Rudolf Decker (+49 7031 217790).

On behalf of the above mentioned Members of Parliaments and in our own name as the moderators of the Prayer Breakfast in the German Bundestag, extend our best greetings.

Yours most sincerely

 Dieter Grasedieck, MdB
