Ch. Cristea
3/5/2010

Dear Mr. Nastase,

The 21st annual Session of the Crans Montana Forum will take place in Brussels (Belgium), June 23-26, 2010 at the Crowne Plaza Brussels Hotel.

The European Union is now operating with totally renewed Institutions (**Commission, Parliament, President of the Council, Minister of Foreign Affairs**). A new vision is obviously emerging as far as its international Policy is concerned. In addition, the Forum takes place on the eve of the Belgian EU Presidency.

Since 1989, the yearly Crans Montana Forum is a high level global event which allows its Participants to meet with their European partners and create or strengthen their network with Heads of State and Government, Ministers, Members of Parliament, International Organisations and key Companies from around the world.

You will find enclosed a Preliminary Programme with the major topics proposed for discussion. As an example, Kuwait and Iraq will be represented at the level of their Prime Ministers heading important Business delegations.

I do hope that you will join us personally. I suggest that you lead a national delegation (from your public and private sectors) in order to take advantage of the synergies established thanks to the participation of more than 120 countries !

Yours Sincerely,

Amb. Jean-Paul Carteron
