Dear Mr Fenechiu,

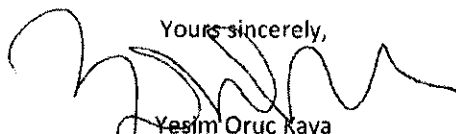

It is my honour and pleasure to ask your leadership to co-host the Black Sea Trade and Investment Promotion Programme (BSTIP) First Partnership Forum on ICT services to take place in Romania on 9 June 2011 at the Palace of the Parliament.

The BSTIP is a joint initiative of the Government of the Hellenic Republic, of the Government of the Republic of Turkey, the Organization of the Black Sea Economic Cooperation (BSEC) and the United Nations Development Programme (UNDP) aiming at supporting the regional economic integration process in the Black Sea region through private sector driven initiatives.

The Forum will provide participants from the ITC arena with a platform for discussing business opportunities and other options such as joint-ventures, transfer of know-how and networking arrangements, offering opportunities for cooperation and development for both Romanian companies and other companies in the Black Sea region. The Forum is expected to provide very good results in terms of participation as there is a strong interest expressed by partner-organizations in the countries covered by BSTIP. Keeping in mind Romania's Chairmanship-in-Office of the Black Sea Economic Cooperation Organization, UNDP is pleased to extend its support to the BSTIP initiative which will surely become an important event on the BSEC calendar.

Therefore, given the above stated objectives of this initiative, UNDP would like to suggest a Partnership with the Commission for Information Technology and Communications and the Joint Permanent Commission of the Chamber of Deputies and Senate for relations with UNESCO in co-hosting this event and ask your valuable support in arranging for an appropriate venue at the Palace of the Parliament to host the first day of the Forum.

We look forward to the honour of your presence at this event as the national host and if agreeable to honouring the stakeholders with your remarks.

Yours sincerely,  
  
Yesim Oruc Kaya  
UNDP Resident Representative a.i.
