Stimate domnule Președinte,

Vă scriu cu ocazia **Summitului anual din 2013 al Forumului mondial al femeilor parlamentare (FP)**.

FP este o fundație independentă, internațională și nepartizantă instituită cu scopul de a contribui la dezvoltarea societății prin crearea unei rețele a femeilor parlamentare. Summitul său anual este organizat la o dată istorică ce aniversează obținerea pentru prima dată a dreptului de vot pentru femei în alegerile naționale, eveniment ce a avut loc acum 120 de ani în Noua Zeelandă, la 28 noiembrie 1893.

Parlamentul European sprijină ferm egalitatea de gen și participarea femeilor în procesul de decizie politică. Reuniunea de mai sus a primit sprijinul Biroului și, prin urmare, am onoarea să vă informez că acest eveniment unic va fi găzduit de Parlamentul European între 27 și 29 noiembrie 2013 la Bruxelles.

Summitul va constitui un forum fără precedent pentru discuții la nivel înalt, cuprinzând intervenții ale unor vorbitori de prestigiu, sesiuni plenare interactive și grupuri de lucru ce le vor permite participantelor, membre ale parlamentelor din întreaga lume, să facă schimburi de opinii asupra celor mai arzătoare chestiuni la nivel mondial, reflectând influența femeilor ca factori de decizie în lumea de azi.

Silvana Koch-Mehrin, deputată în Parlamentul European, care este pe deplin dedicată acestei inițiative, va trimite fiecărei femei care este membră a camerei/parlamentului dumneavoastră o invitație la acest eveniment, însoțită de programul evenimentului.

Sunt convins că susțineți alături de mine necesitatea de a ne promova colegile și de a le încuraja să participe la acest eveniment important. Aștept cu deosebită plăcere să le întâlnesc pe colegile dumneavoastră la Parlamentul European la sfârșitul lunii noiembrie.

Cu deosebită considerație,

Brussels, September 2013

Dear President,

In your capacity as President of the Chamber of Deputies I am reaching out to you today to invite you to set up a **delegation of female Members of your Parliament** to participate in the **2013 Annual Summit of the "Women in Parliaments - Global Forum" (WIP)**, which takes place from **27 to 29 November 2013 at the European Parliament in Brussels**.

The inaugural **WIP Annual Summit** will be taking place 120 years ago to the day when the women of New Zealand became the first in the world to vote in a national election. WIP wants to mark this milestone by hosting its Annual Summit on the date of this historic anniversary. A save the date has been sent to all female members of national Parliaments, of which there are approximately 9000 globally. Formal invitations will be sent out soon. The WIP Annual Summit will provide a **unique and unprecedented forum of high-level Keynote Speeches, Interactive Plenary Sessions and Networking Lunches for female parliamentarians from all over the world**. Working Groups will be hosted by UN Women, the World Bank, the Inter-Parliamentary Union and the World Economic Forum respectively. But WIP will also go beyond that and - as a special tribute to the champions in gender equality - award several countries for their leadership in closing the gender gap based on the findings of the World Economic Forums' Global Gender Gap Report.

The **"Women in Parliaments - Global Forum" (WIP)** is an independent, international and non-partisan foundation established with the purpose of advancing society by building a network of women in Parliaments. An Advisory Board oversees and provides guidance for the activities of the foundation, consisting of outstanding political and social leaders such as **Jody Williams, Muhammad Yunus, Viviane Reding, Olli Rehn, Pascal Lamy, Benita Ferrero-Waldner, Jóhanna Sigurðardóttir, Mo Ibrahim, Jane Goodall, Kathy Calvin, Alhaji Muhammad Mumuni, Zainab Bangura, Sheika Haya Rashed Al Khalifa, Ana de Palacio and Saaida Zahidi**. Other personalities invited to join the WIP Advisory Board include Lakshmi Puri, Phumzile Mlambo-Ngcuka, Christine Lagarde, Gro Harlem Brundtland, Helen Clark and many more.

The WIP Annual Summit will be opened by the **President of the European Parliament** and a large number of **prominent speakers** have confirmed their participation. A **Gala Dinner** and a '**Festival of Cultures**' will complement the formal parts of the Summit and contribute to the event's unique and unparalleled occasion for female members of Parliaments to meet and exchange ideas to advance society.

It would be a great honour and indeed a strong signal if a **delegation of female parliamentarians from Romania would join the WIP Annual Summit** from 27 to 29 November at the European Parliament in Brussels. Such a high representation of your parliamentarians would be of great significance, as it would pay tribute to your Parliament's and your Country's dedication to gender equality and to advance society by encouraging female participation in politics.

This year's **European Development Days (EDDs)**, organised by the European Commission, will take place from 26 to 27 November in Brussels, in the same week as the WIP Annual Summit. In case Members of your Parliament are planning on participating in the EDDs, we would like to invite you to consider the fruitful synergies that could emanate from being in Brussels on those dates and participating in both events.

I sincerely hope that I have succeeded in illustrating the **unprecedented occasion the WIP Annual Summit would provide to female members of your Parliament** to meet and exchange with female parliamentarians from all over the world and I would be delighted if a delegation of the Chamber of Deputies could join us in Brussels at the end of November. In case you have any further questions about WIP that I may be able to answer, please do not hesitate to get in touch with me.

In keen anticipation of your answer,

Yours,

Silvana Koch-Mehrin
Former Vice-President of the European Parliament

Dear Colleague,

The Women in Parliaments Global Forum (WIP) is delighted to invite you to the Annual Summit 2013, taking place at the European Parliament in Brussels, Belgium from 27 to 29 November 2013.

This exceptional meeting coincides with the very day the women of New Zealand became the first in the world to vote in a national election, 120 years ago. Today, WIP is the only global forum offering female Parliamentarians from all over the world the opportunity to get together and be part of a special event.

Attendees will be female Parliamentarians from around the globe, allowing the conference participants to discuss the most pressing issues on the global agenda from unique perspectives and to take part in political dialogues that reflect the influence of female decision-makers in today's world.

As an independent, international and non-partisan foundation, WIP is working to advance society by building a network between Women in Parliaments. The structure of the Summit reflects this objective through keynote speeches, panel discussions, break-out sessions and networking opportunities.

A Gala Dinner and a 'Festival of Cultures' serves to complement the formal parts of the Summit and contribute to the event's special occasion for female members of Parliaments to meet and exchange ideas in the interest of advancing society. Furthermore, the 'WIP Awards' will honour countries for leadership in closing the gender gap. In the concluding townhall meeting, the new 'WIP Index' will be jointly discussed, and will thereupon serve as a powerful tool to monitor the world's condition in empowering female decision-makers in Parliaments.

Be sure not to miss this opportunity to discuss crucial issues with colleagues and leaders from around the globe, to benefit from your colleagues' experiences and to present your views to an international audience.

In the spirit of advancing society, we look forward to welcoming you to the 2013

"Societal Gaps: Current and future inequalities tearing societies apart"

In an increasingly globalized world, more and more people are able to expand their opportunities. In spite of this, ever widening rifts in our society are becoming evident – unequal wealth distribution, pay inequality, gender biased access to the rule of law and a broadening digital divide, separating those with access to the internet from those without.

Can these fissures be remedied by regulation? Or is the issue more fundamentally rooted in tradition?

And what future issues threaten to divide society?
