Subject: RE: Your participation in the Swiss Energy and Climate Summit

Dear Dr Iancu,

May I add to Elena's thanks for agreeing to represent WEC at the Swiss Energy and Climate Summit in Berne on 11th September.

Attached is a copy of the draft programme. As you can see World Energy Council session takes place on the opening day of the Summit soon after the opening address by the Swiss Minister of Energy. This event provides an ideal forum to highlight the work of the WEC in the area of Energy Efficiency and ahead of the World Energy Congress. We have informed the organisers of your participation and provided your background note, as on our website and a copy of your photograph for their event brochure.

My colleague Monique Tsang will liaise with Elena and the organisers to ensure that you have full support and briefing along with help with any presentation materials you may need.

Once again thank you for your support and I hope to see you in Paris for the
