Domnule Președinte,

Vă transmit, în anexă, pentru informare, scrisoarea adresată domnului Jean-Claude Juncker, Președinte ales al Comisiei Europene, referitoare la propunerile Guvernului României privind viitorul comisar român.

Doresc să vă informez că, imediat ce voi primi un răspuns oficial din partea Președintelui ales al Comisiei Europene asupra deciziei luate, Guvernul va demara procedurile pentru audierea persoanei nominalizate, în conformitate cu Legea 373/2013 privind cooperarea dintre Parlament și Guvern în domeniul afacerilor europene.

Președintele Camerei Deputaților

Bucharest, July 30, 2014

Dear Mr. President,

Dear Jean-Claude,

Following our recent discussions and the consultations held with the political coalition forming the Government of Romania, I would like to present to you our proposals with respect to the future Romanian member of the European Commission.

Mr. Dacian Cioloș, the current Romanian member of the European Commission, is our first choice candidate for a portfolio that would cover, with your decisive support, the regional development or agriculture.

If our first proposal does not respond to the architecture that you envisage for the future Commission, we would like you to take into due consideration the candidacy of the Mrs. Corina Crețu, current Vice-president of the European Parliament, for a portfolio to be discussed with you further on.

I take this opportunity to reiterate my openness to continue our discussion on this important matter.

Please accept, Dear Mr. President, the assurance of my highest consideration.

Victor Ponta

Prime Minister of Romania
