din data de 16.09.2015

Nr. 1170

BIROUL PERMANENT AL CAMEREI DEPUTAȚILOR

SECRETARIATUL GENERAL AL CAMEREI DEPUTAȚILOR

Domnului Secretar general Cristian Adrian PANCIU

Vă informez că în perioada 21-24 septembrie 2015 va avea loc la Luxemburg, Consiliul Informal al Miniștrilor Energiei și Reuniunea cercetare, inovare și competitivitate pentru Uniunea Energetică (Strategic Energy Technology Plan – SET Plan) eveniment la care am fost invitat, în calitate de membru EUFORES, de către domnul Claude Turmes - Președintele EUFORES împreună cu dl. senator Petru Șerban Mihăilescu de asemenea membru EUFORES.

La acest eveniment va participa și delegația din partea Ministerului Energiei, Intreprinderilor Mici și Mijlocii și a Mediului de Afaceri, condusă de dl. Bogdan Badea – Secretar de Stat al MEIMMMA.

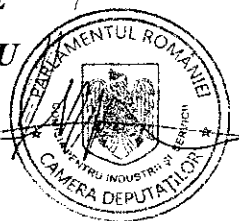

Anexez prezentei invitația de participare la acest eveniment.

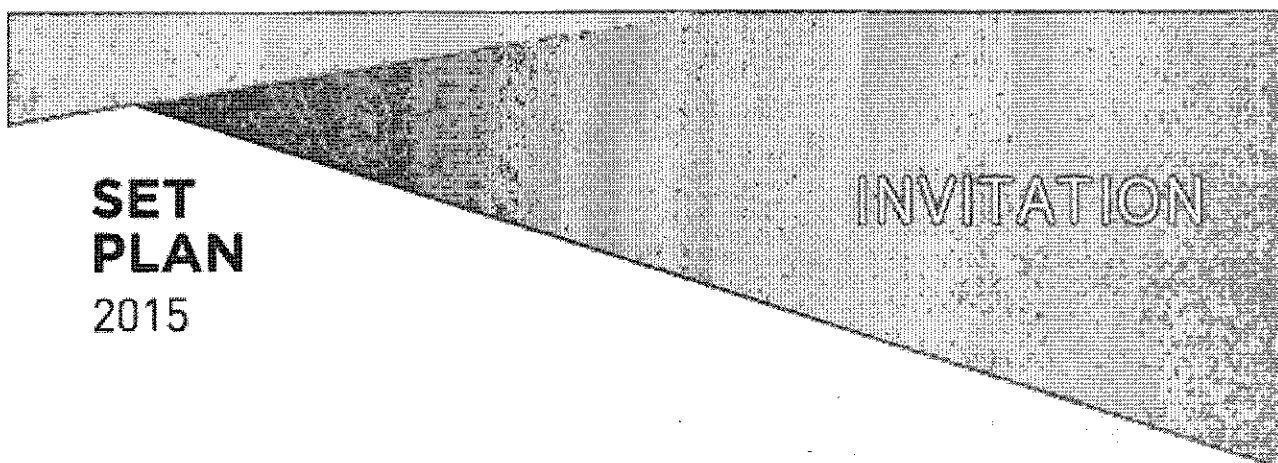

Față de cele de mai sus, vă rog să aprobați cheltuielile aferente acestei deplasări precum și motivarea absențelor de la activitățile care au loc în Camera Deputaților în perioada 21-24 septembrie 2015.

Vă mulțumesc!

Cu deosebită stimă,

PREȘEDINTE
IULIAN IANCU

SET Plan conference 2015

"Research, innovation and competitiveness for the Energy Union"

When

21 - 22 September 2015

Starting time: 1.30pm

Where

Luxembourg City,

European Convention Centre

Reminder

Only three months left before the SET Plan conference 2015. We look forward to you joining us at the 8th SET Plan conference on 21-22 September 2015 in Luxembourg. Places are limited so be sure to act quickly to secure your entry.

The conference is a unique forum for all of you to exchange on the new developments of the SET-Plan (Strategic Energy Technology Plan) in response to the European Union's great energy challenges ahead. This year, the conference will open the Energy Week of the Luxembourg's Presidency and will be followed by the informal meeting of the Energy Ministers in Luxembourg.

The conference will be honoured by the presence of the Luxembourg Prime Minister, Mr. Xavier Bettel, the Minister of the Economy, Mr. Etienne Schneider and the European Commissioners Mr. Moedas (for Research, Science and Innovation) and Mr. Arias Cañete (for Climate action and Energy).

During the one and a half days of the conference, you will be able to engage in the debate around the importance of research and innovation in achieving the European Union's key energy policy targets and building the Energy Union. Achievements will be reviewed, innovative technologies showcased and new strategies will be presented to help reach these ambitious targets and meet the R&I energy challenges.

We are delighted to invite all registered participants to a gala dinner on Monday 21 September, starting at 7.15pm. We hope you will enjoy taking advantage of this, alongside our other networking opportunities, to reflect on the conference sessions and to discuss the possible conclusions.

PROGRAMME

Monday 21 September

1.30pm - 2.30pm **Arrival and registration**

2.30pm - 3.00pm **Opening session**

Master of ceremony: Gilbert Théato,
Director My Energy G.I.E.

Xavier Bettel
Luxembourg Prime Minister

Carlos Moedas
European Commissioner for Research, Science and Innovation

3.00pm - 4.45pm **Session 1. Accelerating the energy system transformation**

Keynote speech
by Dominique Ristori
Director General, Directorate General Energy, European Commission

Moderator
Tom Eischen

*Director General of the General Directorate for Energy and
Government Commissioner for Energy of the Ministry of the
Economy of the Grand-Duchy of Luxembourg*

Panel

The energy system of the future: technology challenges, Professor
Catherine Mitchell
University of Exeter

The energy system of the future: societal challenges and
opportunities
tbc

Integration of systems, Patrick Graichen
Agora Energiewende

Energy /ICT, Toomas Talts
Codeborne

Upstream technology development
tbc

Global energy player, Antonio Vidigal
CEO EDP Inovação

5.15pm - 6.30pm

**Session 2. Towards a competitive European energy
technology sector**

Moderator

Giovanni De Santi
*Director Institute for Energy and Transport, Joint Research Centre,
European Commission*

Panel

Economic changes in the European and global energy landscape,
the shift in capital flows, actors and action

Gerard Reid
Alexa Capital

Strengths and opportunities of the European energy technology
sector

Diego Pavia
Chief Executive Officer, KIC-InnoEnergy

International project/a company view on the global energy
technology sector

Dr. Klaus Willnow
Director Innovation Cooperations, Siemens

Regulation and market design that promote innovation,
tbc

Linking research and education, Professor Torbjørn Digernes
Chair of the European University Association - EPUE (European
Platform of Universities Engaged in Energy Research, Education
and Training)

7.15pm - 10.45pm **Gala dinner**

Tuesday 22 September

8.00am - 8.30am **Registration and welcome coffee**

8.30am - 9.45am **Session 3. Participation of the consumer in the energy transition**

Moderator:

Rudolf Strohmeier

*Deputy Director General, Directorate General Research and
Innovation, European Commission*

Panel:

Consumer's roles and responsibilities in the European energy
transformation

tbc

Smart buildings, homes, appliances and home automation
systems

tbc

Smart grids, e-mobility, storage and demand response, Richard
Vidlicka

*Chairman of the Board of Directors and Chief Executive Officer of
CEZ Distribuce*

Smart city: Integrating electricity and heat at local level

tbc

9.45am - 11.00am Session 4. Sustainable transport systems, increasing energy efficiency and decreasing greenhouse gas emissions

Moderator:

Magda Kopczynska

Director, Mobility and Transport, European Commission

Panel:

Energy/transport

Frédéric Malefant

General Manager EV Business Development, Renault

Biofuels for transport

Dario Giordano

Chief Technology Officer, Biochemtex

Hydrogen in transport

Georg Frank

*Senior Manager Fuel Cell Advanced Engineering & Research,
Daimler AG*

Energy efficiency and quality of products

tbc

11.30am - 1.00pm Session 5. Efficient energy systems

Moderator:

Marie Donnelly

Director, Directorate General Energy, European Commission

Panel:

System efficiency

Katharina Krell

Managing Director, Greenovate Europe

Industrial efficiency in energy-intensive industry

Jakub Vit

External Relations Manager, Arcelor Mittal Ostrava

Deep renovation project

tbc

The role of heating and cooling in efficient energy

tbc

1.00pm - 2.00pm Lunch

2.00pm - 4.00pm Session 6. Being the world leader in developing the next generation of renewable energy technologies

Moderator:

András Siegler

Director, Directorate General Research and Innovation, European Commission

Panel:

Offshore wind and integration in Northwest Europe's grid

Torben Hvid Larsen

Chief Technical Officer, MHI-Vestas

New technology to make renewable electricity controllable:
storage and RES baseload production

Professor Eicke Weber

Fraunhofer ISE/ President of EUREC

The role of flexibility in the future system

Anna Carolina Tortora

Head of Innovation and Development, Tema Storage

Manufacturing PV system integration technologies in Europe
tbc

Geothermal heating and cooling

Igor Kočiš

CEO, Geothermal Anywhere

4.00pm - 5.30pm Session 7. Financing challenges, possibilities and synergies between financing instruments

Chair

Gerassimos Thomas

Deputy, Directorate General Energy, European Commission

Panel:

EIB's role in financing energy innovation: ELENA, InnovFin, EEF & EFSI

tbc

Claude Turmes

Member of the European Parliament, ITRE

Challenges in financing market uptake of innovation

Carlos Pimenta

Novenergia II fund

Use of structural funds and smart specialisation

Mateusz Gaczynski

*Vice Director of the Department of Innovation and Development in
the Ministry of Science and Higher Education of Poland*

Efficient combination of various financing instruments

tbc

5.30pm - 6.00pm

Concluding and closing session

Moderator

Tom Eischen

*Director General of the General Directorate for Energy and
Government Commissioner for Energy of the Ministry of the
Economy of the Grand-Duchy of Luxembourg*

Etienne Schneider

Luxembourg Minister of the Economy

Miguel Arias Cañete

European Commissioner Climate Action and Energy

You will be able to visit the poster session which will be held throughout the duration of the conference, meet the project presenters and discuss with them their innovative approach as well as to vote for your favourite project.

Online registration and hotel booking is open. We have pre-booked a number of rooms for the convenience of delegates. Book early to avoid disappointment.

Looking forward to welcoming you in Luxembourg!
