BIROUL PERMANENT AL CAMEREI DEPUTAȚILOR

SECRETARIATUL GENERAL AL CAMEREI DEPUTAȚILOR

Domnului Secretar general Cristian Adrian PANCIU

În perioada 15 – 19 iunie 2015, Consiliul Mondial al Energiei, Londra, organizează în Filipine, la Manila, „World Energy Leaders’ Summit” (WELS), eveniment la care am fost invitat ca vorbitor, în calitate de președinte Comitetului Național Român al Consiliului Mondial al Energiei.

La acest eveniment vor participa președintele Consiliului Mondial al Energiei, miniștrii, decidenți economici și specialiști din domeniul energiei la nivel mondial și se vor analiza subiecte privind dinamica pieței LNG, pașii de urmat cu privire la integrarea regională, viitorul în transporturi precum și implicațiile politicilor energetice.

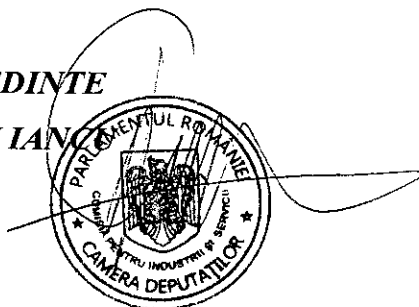

Anexăm prezentei invitația de participare la acest eveniment.

Față de cele de mai sus, vă rog să aprobați motivarea absențelor de la activitățile care au loc în Camera Deputaților în perioada 15 – 19 iunie 2015. Menționez că toate cheltuielile aferente acestui eveniment sunt suportate de Consiliul Mondial al Energiei.

Vă mulțumesc!

Cu deosebită stimă,

PREȘEDINTE
IULIAN IANCU

10th December 2014

Dear Dr. Iancu,

It is our great pleasure to invite you to participate in the **World Energy Leaders' Summit (WELS)**, which will take place on 17-18 June 2015 in Manila, Philippines.

This high-level exclusive event will be co-hosted by the President of the Asian Development Bank (ADB) and the World Energy Council. Participation is by invitation only and is reserved for Ministers, WEC's Patron and Global Partners CEOs and select high-level guests.

The **World Energy Leaders' Summit** will provide an opportunity for Ministers and CEOs to meet in an informal and off-the record setting to exchange views and experience on critical and emerging issues facing the energy industry. The agenda will build upon insights gained from the World Energy Council's on-going studies, including the WEC's Jazz and Symphony World Energy Scenarios, the WEC's policy Trilemma rating for countries and from the WEC's Energy Issues Monitor.

Some of the key issues will include the new dynamics of LNG markets, next steps towards regional integration, developments in the e-mobility sector and the future of transport, as well as the relevant policy implications.

Please note that this event has limited capacity. Spaces will be granted on a strictly first-come-first-served basis. For further information and to confirm attendance, please contact Sophie Rose, Coordinator, Member Services (srose@worldenergy.org).

We look forward to hearing whether we shall have the pleasure of your participation in this important dialogue and hope to welcome you in Manila.

Yours sincerely,

Christoph Frei
