Nr. 289

INFORMARE

Privind participarea delegației GRUI la Sesiunea anuală 2015 a
Conferinței Parlamentare privind Organizația Mondială a Comerțului
cu tema „OMC la 20 de ani”

- Geneva, Elveția, 16 si 17 februarie 2015 -

În zilele de 16 si 17 februarie 2015, la Geneva, Elveția, la sediul Organizației Mondiale a Comerțului (OMC) s-au desfășurat lucrările Sesiunii anuale 2015 a Conferinței Parlamentare cu tema “ OMC la 20 de ani”, organizată de Uniunea Interparlamentară (UIP) în colaborare cu Parlamentul European.

Conferința parlamentară privind OMC a reunit peste 280 de parlamentari, între care președinți și vicepreședinți de parlamente/camere parlamentare, reprezentând 64 țări membre ale UIP. Au fost prezenți delegați din partea adunărilor parlamentare cu statut de membru asociat, Parlamentul European; asociații și adunări parlamentare cu statut de observatori (Comitetul Parlamentar al EFTA; Adunarea Interparlamentară a Comunității Economice Euro-Asiatice; reprezentanți ai guvernelor; ONU si a unor agenții și programe din sistemul Națiunilor Unite (FAO, ILO, UNCTAD, WORLD BANK, WTO, s.a.)

Din delegația Grupului Român al Uniunii Interparlamentare (GRUI), a facut parte domnul deputat Marian Ion Cristinel (PP-DD), secretar al Comitetului Director al GRUI si doamna deputat Raluca Turcan (PNL), membru al Comitetului Director al GRUI.

CONFERINȚA PARLAMENTARĂ PRIVIND OMC

La ceremonia inaugurală din 16.02.2015 a.c., au luat cuvântul: Mr. Krister Ornfjader, MP (Sweden), Co-Președinte al Conferinței Parlamentare privind OMC; Mr. Oli Rehn, Vice președinte al Parlamentului European; Ambasador Fernando De Mateo y Venturini, Reprezentant Permanent al Mexicului la OMC.

În alocuțiunea sa inaugurală, Dl Mr. Krister Ornfjader, MP (Sweden), Co Președinte al Conferinței Parlamentare privind OMC, s-a referit la faptul că astfel de reuniuni parlamentare fac parte din seria de activități pe care Parlamentul European

1900

1900

1900

1900

împreună cu Uniunea Interparlamentară (UIP) le desfășoară, în cadrul procesului intitulat **Conferința parlamentară privind OMC**, în vederea asigurării unui control parlamentar eficient al politicilor comerciale internaționale.

De asemenea, s-a trecut în revistă faptul că Organizația Mondială a Comerțului a reprezentat, în ultimii 20 ani de la înființarea sa, gardianul modern al regulilor de comerț, un continuator de succes al GATT și GATS. Comerțul reprezintă unul din motoarele economice de creștere pe toate palierele de la cel social la cel de mediu, de la infrastructură până la sistemul educațional, toate acestea rezumându-se în doar câteva cuvinte și anume „condiții mai bune de viață”. Întreaga activitate a OMC a avut în vedere buna stare socială și economică a omului prin dezvoltarea comerțului cu bunuri și servicii, prin încurajarea investițiilor, prin stabilirea unor reguli de comerț simple și clare.

În cele 2 zile de lucrări, parlamentarii au participat la dezbaterile panel interactive, au interacționat cu negociatorii guvernamentali, cu oficialii OMC și cu reprezentanți ai societății civile, au avut schimburi de opinii cu omologi din alte parlamente. Unii Membri au realizat importanța modernizării OMC și trecerea într-o nouă etapă de dezvoltare, martore fiind negocierile pentru încheierea unui Acord plurilateral pe domeniul serviciilor și din cadrul inițiativei privind bunurile de mediu. Deși sunt acțiuni plurilaterale trebuie militat pentru multilateralizarea lor, fiind inițiative ce vor aduce numai impulsuri pozitive comerțului internațional; În ultimii 20 de ani, de când OMC a luat ființă, „peisajul” comercial și consumatorul au suferit modificări importante. Acestea obligă regulile de comerț să se adapteze într-un ritm accelerat, în care a intervenit un consumator din ce în ce mai tânăr cu opinii proprii bine definite și nevoi exprimate concret;

Un factor determinant al acestor transformări este mediul virtual sau „internetul”. Multe mărfuri fizice cum sunt filmele, muzica, cărțile, serviciile etc. au devenit produse electronice care pot fi cumpărate în câteva minute dintr-o parte în alta a globului fără ca vânzătorul să se întâlnească cu consumatorul/cumpărătorul; Principalul utilizator al acestui sistem comercial aflat în continuă dezvoltare este populația tânără, deschisă unui comerț rapid, fără granițe, cu satisfacții imediate și care dă „internetului” o nouă dimensiune;

Au existat multe dezbateri pe tema importanței comerțului electronic, necesitatea reglementării lui sau chiar a „îngrădirii” lui sub diferite forme. Însă expansiunea exponențială a acestuia a demonstrat faptul că o eventuală creionare de reguli ar însemna un efort depășit ca înțeles de ideile de comerț electronic extrem de prolifere. Cu toate acestea stabilirea unor reguli de comerț în acest domeniu ar însemna un avantaj în evitarea fraudelor și în respectarea legislației naționale și internaționale dedicate acestui sector.

În concluzie, OMC de-a lungul celor 20 de ani de existență și-a demonstrat eficacitatea și este datorită noastră a tuturor să îl susținem în activitatea sa de modernizare pentru a răspunde cât mai bine provocărilor actuale.

La 17 februarie 2015, a.c., în cadrul Conferinței parlamentare a fost adoptat acordul de facilitare al comerțului, comerț perceput ca un factor de pace și condiții de viață mai bune.

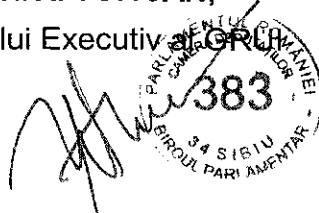

DISCUȚII ÎN PLAN BILATERAL

În marja sesiunii parlamentare, membrii delegației GRUI au avut consultări și schimburi de opinii cu parlamentari din Portugalia, Brazilia, Austria, China, Belgia, Franța, Suedia, Spania cu privire la temele în dezbateră, schimburile comerciale și activități economice, precum și posibile proiecte comune. Întreaga rețea de acorduri bilaterale pe care Membrii OMC le-au încheiat sau urmează să le încheie în viitor nu trebuie privită ca o amenințare adusă sistemului comercial multilateral, ci trebuie tratată ca un punct de pornire în modernizarea acestuia.

Deputat Ion Cristinel MARIAN,
Secretar al Biroului Executiv al GRUI

Deputat Raluca TURCAN,
Membru al Biroului Executiv al GRUI

**ANNUAL 2015 SESSION OF THE
