Brussels, 13th of June 2016

Dear Mr. President of the Chamber of Deputies,

Last year EU40, the network of young Members of the European Parliament, launched a three-day 'Young Members of Parliament Forum' in the European Parliament, under the high patronage of the European Parliament and with the direct support of European Parliament President, Martin Schulz. The event was a full success with 50 young Members of Parliament attending from 14 Member States.

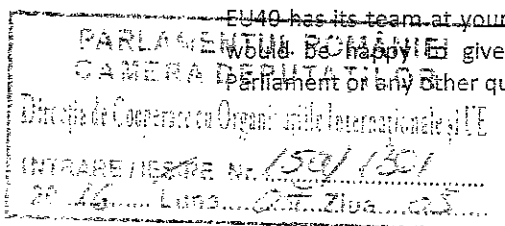

Building on last year's success, we would naturally like to do even better this year, with more young Members of Parliament from more Member States. **You could help young Members of the Romanian Parliament profit from this experience and outstanding network, by helping us invite the young Members of the Chamber of Deputies to participate in the cross-party Forum between October 11th and 13th.** President Schulz is scheduled to speak on the 12th of October along with Vice-President of the European Commission, Andrus Ansip. European Commissioner Cecilia Malmström is confirmed for the 11th of October, as well as the President of the EPP Group of the European Parliament, Manfred Weber.

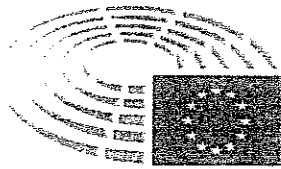

The overall theme of this year's Forum is the **EU's Transatlantic Cooperation**, with *trade, security & defence and data protection* placed at the centre of the discussion. At the Forum we will draft and table a **joint resolution** together with the attending Members of Parliament from all political parties. The Forum will be finalised with a press conference, where the text will be introduced publicly. There will be a team filming throughout the forum and there will be numerous photo opportunities with President Schulz and our other distinguished guest speakers. A press release will be made available, also for your media contacts.

Additionally, we have invited young representatives from the **U.S. Congress and Canadian Parliament** and are looking forward to having many fruitful discussions and of course, some good networking. We have invited the **Presidents of the European Commission and European Council**, as well as the **leaders of the four main political groups of the European Parliament** to speak throughout our Forum. The other three Commissioners relevant to the overall topic of the Forum were also invited: **Federica Mogherini, Günther Oettinger and Frans Timmermans**. **Over and above we have also invited NATO Secretary General, Jens Stoltenberg.**

We would kindly like to ask you, as President of the Chamber of Deputies, to pass on this invitation to all young Members of the Chamber of Deputies to join us in Brussels for this ground-breaking conference. EU40 and its partners will cover the costs of all meals, which will be attended by high-level speakers from industry and politics. **Travel and accommodation need to be booked by their respective offices from their budget.**

EU40 has its team at your disposal, should you have any further questions or remarks. We would be happy to give participants information on the hotels around the European Parliament or any other question they may have. **The conference will be held in English**
