We already have confirmations from **34 Members of the national parliaments (MPs)** from **10 Member States**, with **9 MPs from Macron's new party 'en Marche!'** and we expect more MPs to join by November 7.

Council President Hermann van Rompuy, Deputy Assistant Secretary General for Emerging Security Challenges, NATO, Dr. Jamie Shea, the EPP Leader in the European Parliament, Manfred Weber and EC Vice-President Katainen** are also confirmed. **Dr. Victor Negrescu, European Affairs Minister**, will speak at the Forum as well.

The **'Young Members of Parliament Forum'** under the **high patronage of the European Parliament** brings together **young MPs from 27 Member States** in order to **generate a stronger cooperation** between the **EU's national Parliaments** and the **European Parliament**, but also in order to **tackle Europe's most urgent issues**. This year we are scheduled to tackle the threat to European democracies through **populism** parties from the left and right fringes of the political spectrum.

Watch below **European Parliament President Martin Schulz** endorsing

EU40 at the Young Members of Parliament Forum 2016:

In both previous editions, we welcomed **50 young Members of Parliament** from **14 Member States** each year. For impressions of the previous two editions click [HERE](#) (2016) and [HERE](#) (2015).

The power of the message of 50 legislators from 27 different countries, united by their young age and vision to make a change for the better, is not to be underestimated.

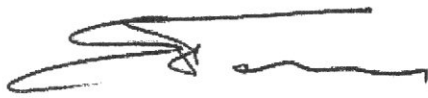

We are looking forward to welcoming you at the European Parliament in November this year. **Please note that all the participants will pay for their flight and accommodation from their own budget.**
