BIROUL PERMANENT
AL
CAMEREI DEPUTAȚILOR

În perioada 14-17 mai 2018, la Londra, Marea Britanie, va avea loc o întâlnire organizată de Consiliul Mondial al Energiei la care am fost invitat în calitate de președinte al Comitetului Național Român al Consiliului Mondial al Energiei și membru al Comitetului de Programe al acestui for.

Față de cele de mai sus, vă rog să aprobați participarea mea la această întâlnire, precum și motivarea absențelor de la activitățile care au loc în Camera Deputaților în perioada respectivă. Menționez că nu solicit cheltuieli de transport și cazare.

Anexez prezentei agenda evenimentului.

Cu deosebită stimă,

PREȘEDINTE

Insight Workshop

Tuesday 15th May 2018
London, UK

Hosted by the World Energy Council and Swiss Re Corporate Solutions

Venue: Swiss Re Offices at The Gherkin, 30 St Mary Axe, EC3A 8EP, London, UK

The Insight Workshop is a high-level exclusive event organised by the World Energy Council for the global energy leaders' community to facilitate on-going dialogue on critical issues affecting the energy sector.

The London Insight Workshop will be co-hosted by Swiss Re Corporate Solutions at their London offices. Participation is by invitation only to the Council's Patron and Global Partner CEOs, Member Committees and selected high-level guests. The agenda will build upon insights gained from the World Energy Council's on-going studies, including the World Energy Scenarios and the World Energy Issues Monitor.

The sessions are interactive and informal dialogue under the Chatham House Rule - session summaries do not contain attributed quotes unless the contributor explicitly agrees. After a brief introduction by an experienced moderator, discussion leaders present their perspectives and insights and engage in dialogue with all participants of the workshop.
