Mr Cezar Florin PREDA
Chairman of the Romanian
delegation to the Parliamentary
Assembly of the Council of Europe

Dear Mr Preda,

On behalf of the Latvian delegation to the PACE I would like, once again, to express my gratitude to you personally and to all your delegation for the valuable support of the candidature of my compatriot Dr. Nils Muižnieks during the elections of the next Council of Europe Commissioner for Human Rights.

We believe that election of Dr. Muižnieks to this important post is an acknowledgment of Dr. Muižnieks' qualifications and extensive experience in the field of human rights but also attests the good and harmonious cooperation among all the institutions involved, in particular, among like-minded countries. We consider this not only as the success for Latvia but as the great achievement of Eastern European countries.

Yours faithfully,

Inese LĪBIŅA-EGNERE

Chairperson of the delegation of the Republic of Latvia
Parliamentary Assembly of the Council of Europe
