

Expunere de motive :

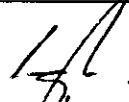

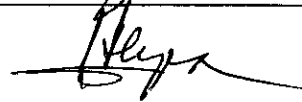

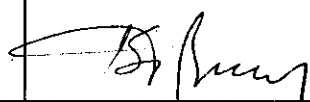

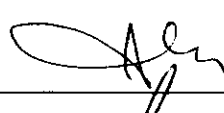

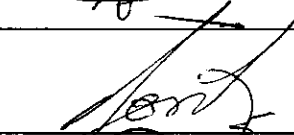

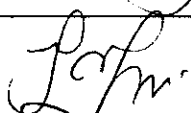

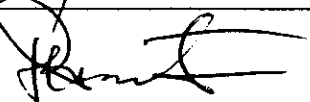

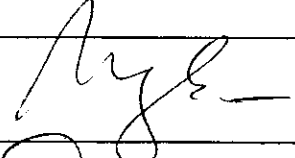

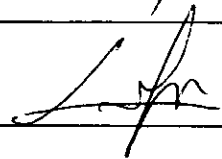

Tractoarele, remorcile, combinele precum și alte utilaje agricole sunt mijloace de producție nu de transport. În cazul fabricilor de piese auto spre exemplu, se impozitează clădirea fabricii și veniturile aferente activității, așa cum se face și la o fermă, dar nu se impozitează mijloacele de producție (strung, freză, etc.)

Unitățile administrativ teritoriale percep impozite și taxe locale, potrivit autonomiei locale și prevederilor Codului Fiscal, în mod diferit în această speță. Astfel încât se crează un climat economic dezechilibrat din punct de vedere al concurenței agenților economici care își desfășoară activitatea în domeniul agricol. Cei care au șansa ca unitățile administrativ teritoriale să nu perceapă impozit sunt favorizați în comparație cu cei care își desfășoară activitatea pe raza unităților administrativ teritoriale care percep impozit pe utilajele agricole.

Prevederea nu se referă la utilajele agricole înmatriculate cu regim de mijloc de transport care circulă pe drumurile publice.
